Thinking outside the box

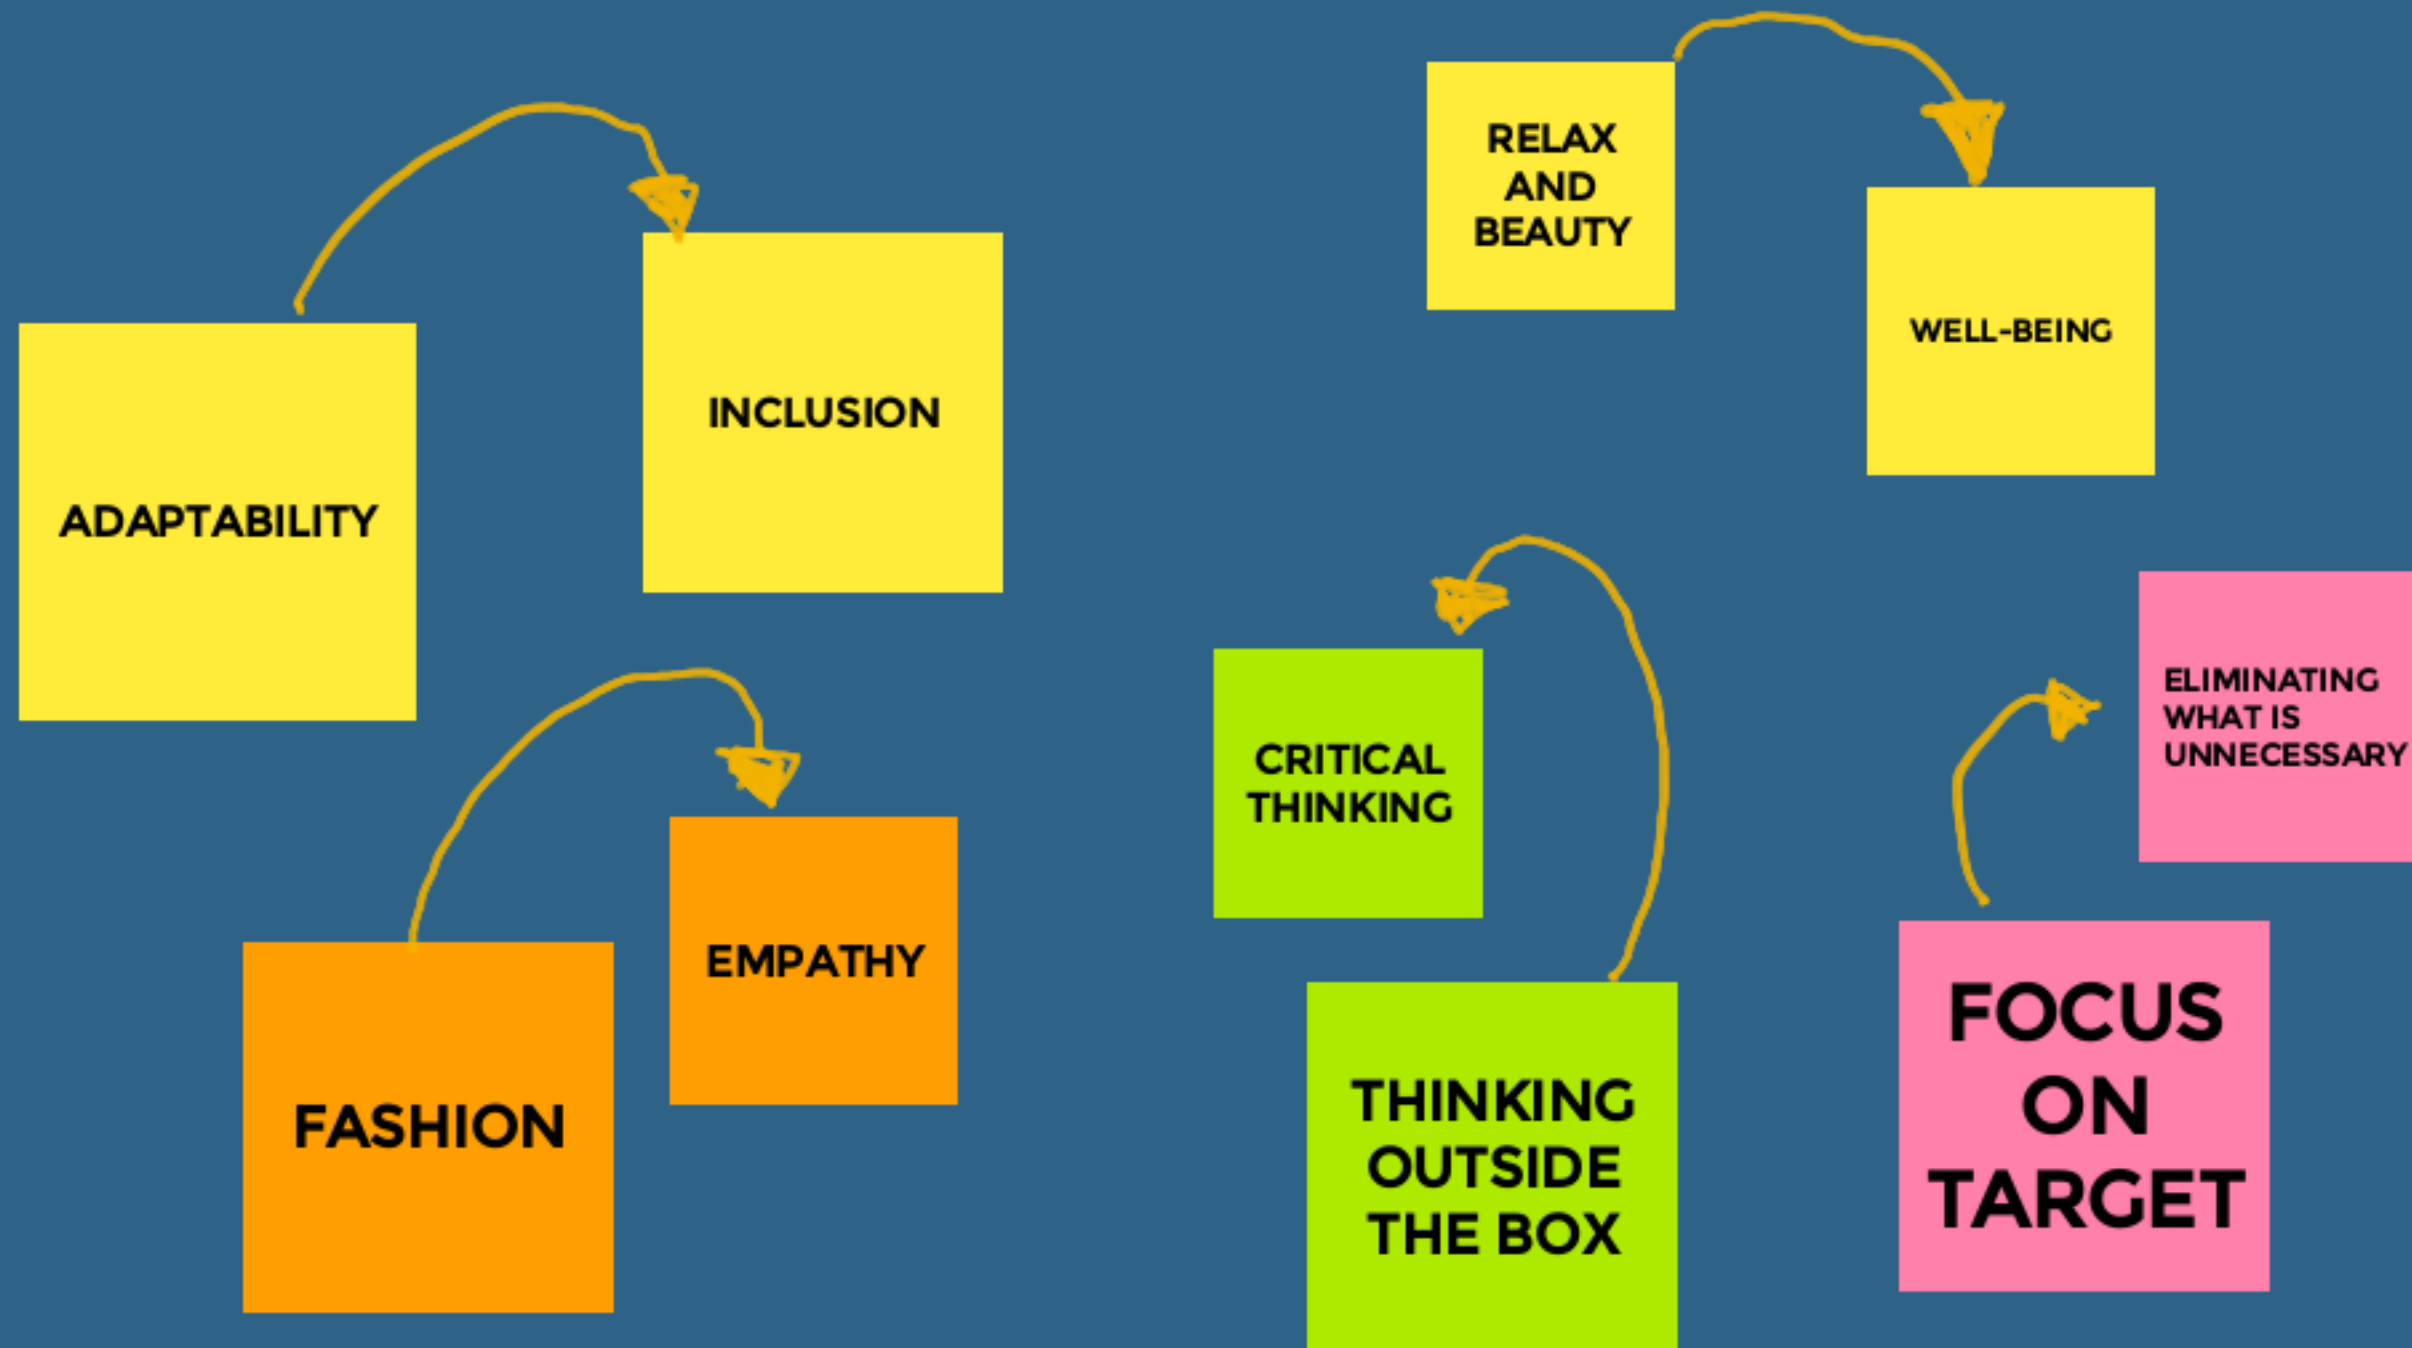

the essential

relax and beauty

AT SCHOOL

① What we noticed in the video?

Collaboration & no competition

Different people, multiple competences

Reliable, motivating, confident,
supportive!

Respect the

listen to the needs

before starting the team work

② Benefit from creative confidence:

Feeling free to express
Without Judgment
(also with colleagues!)

Divergent
thinking

Discovering new skills
↳ Self-esteem

Being
Empathetic

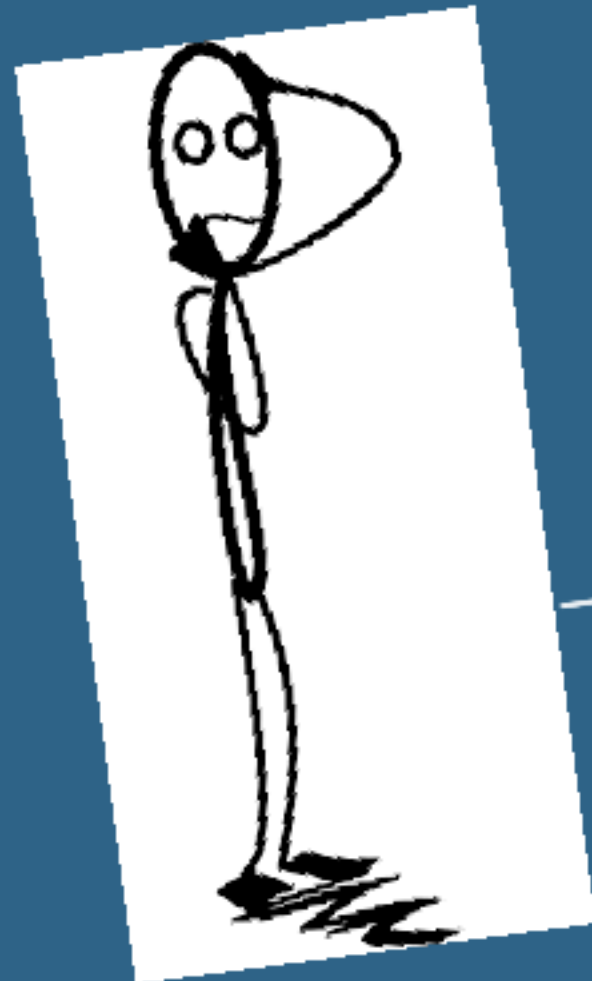

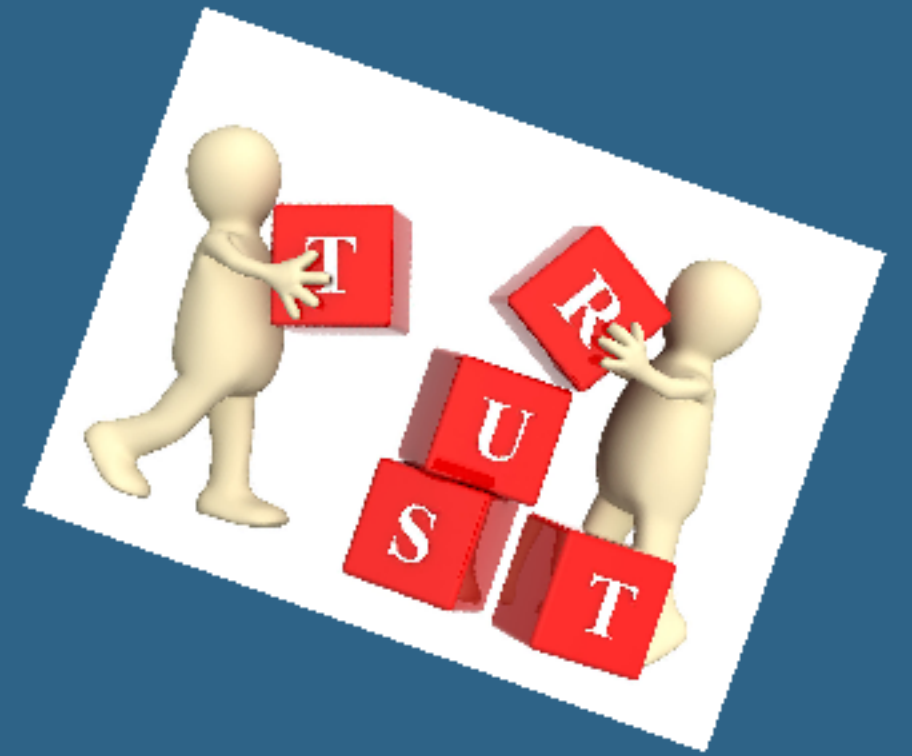

③ Challenges:

To avoid Judgment

Establish a climate
of Trust

To move beyond
institutional standard
approaches
